

## GMGMA AGM 2011 LADIES' REPORT

Thanks to all the ladies who made the season so enjoyable, and especially to Joyce Mylymok who has been such an outstanding Captain. I am giving this report on her behalf as she is no longer a member.

After a discouragingly late start to the season, we enjoyed the remainder of the summer and had a slightly larger turn-out than last year for most events. The Club Championship, won by Rita seigo, was again well run by Jackye Mills, who took the Trophy for Best Net. They will be presented with embroidered Glen Meadows towels. Pat Hook did a great job organizing 3 Stags and all our other social events. Many thanks to Pat who is stepping down after several exceptional years as Social Convener.

Both the Tuesday and Saturday Ladies played their usual Inter-Club Matches with varying degrees of success, but no lack of enthusiasm and enjoyment. Next season we hope to revive the in-club inter-club, the match between the two groups.

We are already looking forward to next season, and hope to see everyone out on Opening Day. Those members who are still enjoying themselves down south will be missed, and probably envied.

Respectfully submitted,

Marg. Hurd
