

## **Men's Division Captain's Report 2011**

I would like to thank everyone for your participation in our tournaments in 2011. It was a tough year with bad weather and a declining membership, but we still had 7 weekend tournaments this year and 1 mixed tournament plus the respective Club Championships and our Sluggett Cup with Ryder Cup format and a horse race. Two of this year's real successes were the combined Club Championships with a BBQ lunch on the deck and most recently our fourth Ironman tournament held a few weeks ago. The weather for our September tournaments was great, thanks to the golf gods. The winners of the Captain's Shield will be posted very soon. Because of our low membership this year our funds have been drastically reduced, therefore we are waiting for the final bank balance before we calculate our payouts to the winners. Our Men's Division participates in team interclub play such as Willie Park, Harry Young, Open Buttons, Senior Buttons and Winter Buttons. Normally we are in the middle of the pack but this year our guys won the City Winter Buttons. Lead by Reg Effa and Ed Beauchemin with help from Greg Hardin and Danny Henry.

We will now acknowledge our Club Champions and award them with embroidered golf towels compliments of our GMGMA.

Club Champion **Greg Hardin** for the second straight year

Low Net Champion **Steve Fornelli**

Senior Champion **Bill Fediw** after an extra hole three way playoff

Low Net Senior Champion **GJ Drosz** for a second straight year

Super Senior Champion **Bob Readings** for a third straight year

Low Net Super Senior Champion **Peter Keith Murray**

The 2012 Men's Division executive will be:

Daryl Readings – Captain

Bob Readings - Vice Captain

Larry Lohr – Treasurer

Tom Hook – Senior Interclub (member at large)

I think Daryl, Bob, Larry and Tom will do an excellent job this coming season, so please help them with your participation in the men's division tournaments.

At this time I would like to thank our GMGMA president Bob Cribbs and his executive for their help this past year.

Respectfully,

Bill Fediw - Men's Captain (outgoing)
